## DEFINITION OF GRADES

The results of the GCSE examinations are reported on a 7-point scale of grades: A, B, C, D, E, F and G. Candidates who fail to reach the minimum standard for G receive no grade. A subject receiving no grade will not be recorded on the certificate. Grades A, B and C maintain the standards of the former GCE 'O' level grades A, B and C and the former CSE Grade 1; grades D, E, F and G maintain the standards of the former CSE grades 2, 3, 4 and 5.

The assessment of Oral Communication is compulsory for all candidates entered for GCSE English. It is separately assessed and the results are reported on a 5-point numbered scale, with Grade 1 indicating the highest level of attainment and Grade 5 the lowest level of attainment.

## ORDER OF GRADES

Grades are shown in descending order of grade, the highest grade appearing at the top of the list. Subjects for which the same grade is awarded are shown in alphabetical order.
